www.changeinc.org

Open Monday - Friday from 6:00 AM to 6:00 PM

Office Open Monday - Friday from 7:00 AM to 4:00 PM

The Non-Emergency Medical Transportation Program provides transportation to medical appointments.

SERVICES

The Program provides transportation for non-emergency situations to and from medical facilities.

COUNTIES SERVED

Columbiana County, OH, Hancock and Brooke County, WV

ELIGIBILITY

Must be referred by Columbiana County Department of Job and Family Services, or be a patient of Family Medical Care.

Medicaid recipients have transportation costs covered. All others must pay privately. Family Medical Care patients can receive passes for transportation to the community health center through the Health Benefits Coordinator.

HOW TO RECEIVE SERVICE

For Family Medical Care patients: Call the Transportation Department to arrange transportation at least 24 hours prior to appointment.

For Columbiana County: Contact Columbiana County Department of Job and Family Services.
