Open Monday - Friday from 8:00 AM to 4:00 PM

The Patient Assistance Program provides medication for patients without existing prescription coverage, and helps them through the paperwork required by the indigent drug companies.

SERVICES

This program guides qualified patients through the process and paperwork for acquiring medications from various pharmaceutical companies indigent drug programs.

COUNTIES SERVED

All counties in the Tri-State Area of West Virginia, Ohio and Pennsylvania.

ELIGIBILITY

Must be a patient of Family Medical Care, and meet the income guidelines of the pharmaceutical company's program.

HOW TO RECEIVE SERVICE

Call Family Care Pharmacy to see if you qualify. Then make an appointment for a screening. You will need to bring verification of your household income, your prescriptions, and a denial letter from your local DHHR.

A service fee is applied to cover the costs involved in submitting the applications to the various pharmaceutical companies.
